Creating flexible configurations and collaborative learning spaces is easy with SICO's classroom and meeting tables. Reconfigure a classroom into a computer lab, conference hall and much more. Create engaging spaces that one person can reconfigure to their daily needs.

Commons Tables
These tables are a natural draw for socializing, used in commons and dining spaces to facilitate conversation and sharing. Available in several styles they are a natural draw for students and faculty.

Cafeteria Tables
Serving thousands of schools, churches and community centers, SICO® cafeteria tables have a legendary reputation for reliability and style. Customize color options or add your logo to almost any table. Explore our complete lineup to find the look and functionality you need.
Experience the Comfort Stool

The name “Comfort Stool” says it all. With the stool’s exclusive curvature shape* providing 20% more surface area, it’s simply more comfortable for students to sit on for longer periods of time. A better experience for the students to enjoy lunchtime. Opt for the Accent Guard to keep gum and mashed potatoes out. Match or contrast colors to create just the right look.

TC-65

Our TC-65 design combines spacious top surfaces along with individualized comfort, all in one smooth-rolling solution. Dual-sided seating enhances group connectivity yet the stool seats offer plenty of personal space. These tables go from stationary to mobile in seconds and eliminate the noisy banging that comes with chairs. Choose from dozens of stylish table and seating combinations!

BY-65

SICO® BY-65 bench-style tables help you maximize seating and storage in tight spaces. Benches take up less room than chairs, help keep aisles clear, and make underneath sweeping and cleaning easier. Plus, the BY-65 nests easily for compact storage – taking up 50% less space than regular cafeteria tables. Get the laminate, leg frame and Armor-Edge® colors you want for a totally customized look.

CAFETERIA TABLES

Exclusive SICO® Strut™

The SICO® mechanical strut is engineered exclusively for SICO® mobile cafeteria tables. The strut delivers consistent, repeatable lifting performance for the LIFETIME of the table. There are no exposed operating components. No parts to replace. No adjustments to be made. No lubricating required.

3-In-1 ConverTable

Get three different uses out of this one versatile solution! True to its name, the ConverTable, can be instantly transformed from a single testing table with bench seating, to a bench unit for auditorium-style seating, or to social-dining mode in which two units are linked together. Why buy extra tables that each serve just one function when this solution does it all?

Graduate

Increase space efficiencies by 20-25% with the Graduate, our sleek solution with attached seating that promotes close-in communication. Available in unique oval or octagonal designs with stools or benches. With today’s most popular colors, the Graduate helps you avoid the noise, cumbersome handling and inefficient spacing that come with chairs.

Communicator

The Communicator is the only mobile, folding cafeteria table that provides 12 seats and 23” of spacing in a 10’ long unit. It empowers group communication by enabling eye-to-eye contact yet also offers each person a comfortable space in which to eat or work. Plus, operation is easy: just press the eye-level handle to unlock the latch and let the SICO® Strut™ assist in lowering the table slowly into the open and set positions.
CAFETERIA TABLES

Our Pacer tables are just as impressive in storage as they are in service. When not in use, they fold easily for compact, upright placement in even tight areas. Another space challenge solved!

Nesting Storage

With the Pacer's smart design and variety of shapes, you can fit more tables into one space and increase your seating capacity by up to 32%. Plus, its stylish, yet rugged, frame can be folded and rolled effortlessly into storage – by just one staff member. That’s SICO® simplicity.

Pacer II

The Pacer II takes the Pacer’s durable design and style to the next level. With its seamless tabletop, reinforced with SICO® Armor-Edge® edging, and attractive colors and shape options, the ultra-mobile Pacer II empowers you to quickly transform any area into a productive meeting or dining space.
COMMONS TABLES

Combine in Unique Configurations

The right configurations can ease flow and seat more guests than conventional layouts. Create multilevel arrangements to add depth and interest to the experience of your space. Try mixing and matching to create a space that can function as more than just one event type.

Community

SICO® Community tables are a natural draw for socializing. Used in common and dining spaces to facilitate conversation and sharing. With options like locking casters or built-in power, community tables are a natural draw for everyone.

Tops & Bases

Mix & match SICO® table tops & bases to create the ideal design for your space. All tops are constructed with high pressure laminate surface that can be customized to your exact specifications. Choose from a variety of shapes, sizes, top thicknesses and heights to create an inspiring dining experience.
Design sense meets common sense. Our stunning nesting tables create a variety of arrangement options to meet multiple usage needs, while also offering practical, space-saving storage simplicity. Now that’s smart!

MEETING STAGES

One-Person Operation

With SICO’s mobile stage and riser systems, storage is a snap. Our units can be rolled away in minutes, freeing up your staff to focus on other important tasks.

1800 Series

The dual-height and single height 1800 Series offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability. Single-person operation means rooms can be turned quickly, with minimal labor. This saves both money and time for your operation.

Tri-Height

Our Tri-Height mobile stage is available with two or three variable height adjustments and reversible decks, making for a versatile system. Designed for maximum set-up flexibility, the Tri-Height can be used as a head table riser, speaker platform, or runway. The possibilities are endless. Single-person operation optimizes labor efficiency.
MEETING STAGES

Storage Caddies
With SICO® stages and risers, storage is no sweat. Our solutions fold and fit easily into our storage caddies and can be rolled away in minutes, freeing up your staff to focus on other important tasks.

X-Press
The SICO® X-Press Stage and Riser is designed with a sturdy build, in a lightweight frame, so it can be easily transported from one application to another. It sets up in a snap, by simply unfolding the frame and laying the deck into place. Choose from multiple deck surfaces, including our innovative Tuff Deck or carpet.

Variable Terrain
A smart, dual-use product that maximizes space and productivity, our Variable Terrain solution can be set up as a performance stage or tiered risers for seated riser, choral or instrumental performances – indoors or out. You’ll get multiple height options and stage units that can be locked together at the same height or in tiered set-ups, for strength and stability across every configuration.

TechLite™+
TechLite™ makes it easy to tailor a stage and riser system to fit small or large spaces – and without the need for tools. With adjustable and fixed heights, optional anti-slip Riga Heka Plus Decking or carpet, our Power Lock™ leg-fastening system and more, TechLite™ is a versatile performer you can count on.

ADA Ramps
Our ADA-compliant ramps are made up of modular units that set up quickly and easily, and are adaptable to each of our various stages. All ramps are carpeted, include side guardrails and designed with a gradual incline of 1” per foot (2.54 cm/m) for smooth, confident stage entrances and exits.

Modular Steps
Modular steps are fixed steps that are easy to operate and have a smaller storage footprint than articulating steps. Add extra step platforms to create the necessary height. Each platform rolls and fastens into place with ease so performers can enter and exit the stage gracefully.

Articulating Steps
Articulating steps can be raised and lowered to enable use with a wide variety of stage heights. Steps attach to the top of a stage deck, which provides support for the steps. Available in carpet or black vinyl on the tread.

Chair & Table Stops
These rugged stops help optimize safety by ensuring tables and chairs won’t slide off the stage. Made from steel bars and available in multiple lengths, they attach quickly and rest one-half inch above the surface of the stage deck.
STAGE ACCESSORIES

Accessory Caddies
Our creatively designed caddies provide crucial convenience for time-strapped staff. They enable compact storage and fast transport of accessory units to any location, for a smooth set-up before showtime.

Guardrails & Covers
Safety is always your first priority and SICO® is here to help. Guardrails must be used with all of our stages and risers and we have options to fit all of our systems. We even include rail covers in multiple color selections to fit your staging décor.

Backdrops
Our solid backdrops create a professional look and help focus the audience’s attention on the performers, not on what’s happening backstage.

Enclosure Panels
Use enclosure panels to create a finished look to a stage while adding safety for your performers.

Drapes
SICO® Drapes add a first-class finishing touch to your staging, secured by continuous hook and loop fastener strips that make it extra-easy to attach the skirting. Our draperies are made of attractive, flame-retardant fabric that retains its beauty over years of use.
Easily Fold & Roll

You’ll be amazed at how easily our expansive risers can fold down into such a relatively small footprint and get tucked away into storage until the next use. It means less lifting, bending and carrying for your staff too.

Insta-Theatre®

Go from room to theatre in minutes! Our Insta-Theatre® folding stage system is a full-sized, professional-style theatre that fits against any wall – so you can put on more events without having to commit space or funds to a permanent structure. It unfolds to create an open, stable stage of up to 32’W x 16’D (9.75m x 4.9m), yet consumes just 4.5’ (1.4m) of depth when stored. Insta-Theatre® is today’s smartest combination of sheer style and simplicity.

Harmony Choral Riser

With our innovative Harmony Choral riser, you just roll each self-contained 3- or 4-step unit into place, lower the steps with one fluid motion to the floor, lock it to the next unit, and it’s showtime! Each unit rests on 10-12 solid points of contact, so the risers remain stable and quiet. Preferred by performers and set-up crews, the Harmony Choral Riser will keep your whole school humming.
SICO® invented the first professional portable dance floor in 1964 and continues to stay a step ahead of the competition. In fact, more dance moves and more dance memories have been created on SICO® floors than any other brand! When you want to give your guests the best, it has to be SICO®.

DANCE FLOOR SOLUTIONS

Laminate
Available in a wide variety of stylish laminates, our Cam-Lam® or Starlight II*-solutions for indoor-outdoor use, offer versatility so you can create a first-class dance environment for your guests virtually anywhere. They’re maintenance-free and resist chipping, scratching and fading—protecting your flooring investment. Plus, they feature our positive Cam-Lock system for easy alignment and simple set-up and take-down.

Wood Parquet
For guests who still require the beauty of real wood, our Original and Cam-Lock portable dance floor products are the right choice. They set the industry standard decades ago and still continue to be a popular option today. From their traditional, eye-catching parquet panels to their gold, silver or black Visi-Trim edges and simple set-up, these products are thoughtfully designed for your guests and your staff.

Storage Caddies

Save on take-down time and avoid hassles with our smooth-rolling storage caddies. Cleverly designed with separate spaces to hold dozens of panels as well as trim pieces, SICO’s storage caddies make it easy to secure, store and safeguard your floor until the next big event.

Starlight II*

With the rugged Starlight II, the sky’s the limit. This safe, secure portable dance floor is built to withstand the rigors of outdoor use. It combines a high-pressure laminate surface with a high-density fiberglass reinforced foam inner core, positioned between sheets of sturdy aluminum. And our Cam-Lock positive locking system streamlines set-up and tear-down.

Cam-Lam*

The SICO® Cam-Lam dance floor is available in a variety of laminate designs – from a wood-plank to a modern or rustic look, each with a maintenance-free finish that resists scratching and fading. And it features our positive Cam-Lock system for automatic panel alignment and a fast, secure fit – making set-up simple!
